GEM SPECIMEN FOUR-DOLLAR GOLD PIECE

- 130 1879 \$4.00. Yellow gold, wire edge. Magnificent brilliant proof. As perfect and as beautiful as is possible to obtain. Have never seen a better specimen. It is one of the best if not the best of this rare coin that I have ever handled, and is certainly worthy of its highest record. Record now about \$150.00.
- 131 1879 \$4.00. As last. The usual proof specimen, now bringing from \$115.000 to \$120.00. Very rare and in great demand.

EXCEEDINGLY RARE SCHLEY "DEFENSE" MEDAL in GOLD

- 368 1901 Obverse, Admiral Schley seated, being defended by Uncle Sam who holds scroll on which is inscribed Schley's achievements at the Naval Battle of Santiago: above, "THE DEFENDANT AND HIS COUNSEL": figure of Justice in left background, above, "Me Thinks 'Twas Schley Remembered the Maine." Reverse, the Liberty bell in center, surrounded with views of Betsey Ross House on left, Grant's Tomb on right, Washington's Tomb above, and the new battleship Maine below. Gold. Loop on edge. Size 38. Perfect condition. Struck by W. F. Doll Mfg. Co., N. Y. Of excessive rarity and historical interest. **This is one of only three struck in gold.** This identical medal was purchased by Mr. Jaedicke in my sale of October 29, 1918, at \$97.50, and is to the best of my knowledge, the only specimen that has ever been offered for sale. When this medal was previously sold by me, there was a statement from Mr. Wm. F. Doll which read as follows:

"This certifies that I have sold to the Stamp & Coin Exchange one Admiral Schley Medal, made from a \$20.00 gold piece, of which only three were made in gold and the dies destroyed by fire at 175 Broadway some seven years ago, one went to Admiral Schely, the other to Mr. Davenport. Also, one in silver with horse shoe attached which was the only one fixed in this way and only three others struck in silver."

Unfortunately the above statement from Mr. Doll has been misplaced, but the great rarity and historical interest, as well as value of the medal can easily be estimated. It should exceed its former record.

"The Honesty and Fairness of Any Business is Judged by the Success it Attains and by the Public it Serves."

An UNSOLICITED Letter from Hon. James H. Manning.

Albany, New York,
July 9, 1921.

Mr. B. Max Mehl,
Mehl Building,
Fort Worth, Texas.

Dear Mr. Mehl:

At the close of amicable business relations that cover a period of several months, I would be devoid of appreciation, if I did not extend to you sincere thanks for all you have done in my behalf.

My coin and medal collection which was the joy of my boyhood days and the companion of the years that followed, it was a pleasure for me to place in your hands for the purpose of having it offered to the public.

Many friends and brother collectors asked me why I went as far away as Fort Worth, Texas to make a sale that might have been undertaken in the part of the country where I reside. My answer was that distance did not influence me, for after giving due consideration to conditions that should govern the judgment of one having valuable treasures to sell, I was convinced that I had selected as my representative the best equipped man in the United States. It is a pleasure to say that I made no mistake in choosing you to do for me just what I wanted, for you surpassed my most sanguine expectations.

You are truly a genius in your particular line and words of commendation such as I bestow upon you, you are justly entitled to.

Your straight forward business like methods, your knowledge of coins and medals which includes their real market value, your ability to produce not only an attractive catalogue from a printer's point of view but one that gives accurate descriptions of what you offer to sell, your follow up leaflets and booklets and your prompt thirty day settlement of an account with your patron is what has won for you the great popularity you enjoy.

There is no detail of my sale but what you handled in a masterly way and the prices you obtained for the coins and medals particularly the rarities such as the King 1804 U. S. dollar, were satisfactory.

May you continue to prosper because ability to do things intelligently and well is entitled to reward.

Very truly yours,

(Signed)

JAMES H. MANNING.
